## Watkins Is Sustained As Nominee For Sheriff

Following a hearing before a special committee of the state democratic executive committee at the state capitol Saturday, of the contest filed by Dan Stephens of the nomination of W. H. Watkins as sheriff of Coffee county, the committee declared Watkins, who received a plurality of 158 first and second choice votes over Stephens, the legal nominee for the office. Stephens, who was Watkins' nearest opponent, contested the nomination of Watkins on the grounds that Watkins was not a qualified voter and therefore, if elected, would not be entitled to hold the office of sheriff. In deciding the contest in Watkins' favor, the special committee affirmed the decision of the county committee.

It was contended by Stephens that Watkins was disqualified from participating in elections held in Coffee county and disqualified for the office of sheriff in that he did not pay his poll taxes for 1916, 1917 and 1918, during which years he was a resident of Houston county and poll tax records of Houston county were introduced in an attempt to show that Watkins had not paid poll tax for the years in question. Declaring that he had paid his poll tax in these years, Watkins stated that the receipts received by him for such payments had been destroyed in a fire which consumed his personal property. He said also that he was registered as a qualified voter in Coffee county after he had shown these receipts to the Coffee County probate judge.

Friends who accompanied Watkins to Montgomery to be present at the hearing, after the special committee's decision was announced in Watkins' favor, voiced their enthusiasm in a spirited shout of "Hurrah for Coffee's next sheriff!" Watkins was represented during the hearing by J. H. Wilkerson, C. W. Simmons, John Loflin and W. W. Sanders. Flemings and Yarbrough and Solie and Solie represented Stephens. Pat McGauley who resigned as reporter for the state committee some weeks ago, reported the contest proceedings. The special committee which heard the contest was composed of Edgar L. Clarkson, Tuscaloosa; C. W. Hare, Tuskegee, and Jerome T. Fuller, Centerville.

Mr. Toke Rhodes was carried to Dothan on Monday where he underwent an operation for appendicitis. His many friends trust that he may soon recover and be able to be at home again.

Rev. L. A. Nall, of Bay Minette, former pastor of the Baptist Church here, spent a few days in town this week.

The bride is the daughter of Mr. and Mrs. W. J. Cotter of Samson. Until a few weeks ago she made her home at Elba and is one of Elba's most popular young girls. Mr. English is a son of Mr. and Mrs. W. L. English and is a splendid young man. He is connected with his father and brother in a mercantile business here.

Both young people have scores of friends who join in extending congratulations and best wishes.

## Morrow Gets Judgment Against Officer Phillips

Mr. Marion N. Morrow was awarded a judgement for \$5,000.00 damages against L. L. Phillips and other law enforcement officers in the circuit court here last week. The case was tried beginning on Thursday. Practically all the day being taken up in arguments on demurrers, etc., and was taken up again on Friday morning and finally completed and given to the jury late Friday afternoon.

This suit, as well as suits by W. M. Baily and W. M. Reddock, were instituted in the circuit court here following the arrest of the plaintiffs early last year, just after the disappearance of the tax records of the county. The warrants for the arrests were sworn out in Montgomery county and charged the plaintiffs with complicity in the affair, and they were arrested and carried to the Montgomery county jail.

Each one soon after the episode, started suits against the law enforcement officers for false imprisonment, asking damages in the amount of \$15,000.00. Mr. Morrow's case was the first to be tried. It is understood that an appeal will be taken to the supreme court. The other cases were continued pending the outcome of the appeal.

Come and be with us. Every member not only a member but a worker. We want you. We need you. Congregational singing. Come and bring your children with you. You can help us, we can help you.

The fifth reunion and celebration of the Grimes family was held on last Monday, it being the sixty-second birthday of this good mother. To her were born 14 children, all of whom are living. About the year 1903 she was left a widow and a large number of the children were very small. But having the hustling qualities of a devoted mother, she has reared them all to manhood and womanhood. They are of great good and usefulness in the community in which they live.

The weather was very threatening on this day, however the children and a good number of relatives and friends were present. At the noon hour a nice dinner was spread and enjoyed by all. After the rain the crowd gathered in the house and closed up around the instrument and enjoyed an hour of fine singing. The floor was then given to Rev. W. T. Gridner, who made an excellent talk on the family record, their duty to mother, and our duty to our Lord and Savior, and preparations for that world to come. Dismissed with a short word of prayer.

The invitation was extended to everybody to meet again October 2, 1923. This day was well spent and enjoyed by all.

## New Church Building To Be Erected Here

Announcement has just been made by the members of the Church of Christ at Elba, that a new church building will be built here within the near future.

Following the several days tent meeting which closed last week the matter was taken up with members of the Church and their friends, and the new building is now a certainty. A deal has already been closed for the lot for the new building. The lot selected is the lot just South of White & Company's store. This is a large lot and will be a very convenient location for the new building.

Rev. W. T. Gridner in talking of the matter Wednesday morning, says that the building committee will get together within the next few days, and that work will probably start on the new structure within thirty days. He also asks us to publish the following card:

"On behalf of the Church of Christ at Elba, Ala., I wish to express my heartfelt thanks to the business men and others who have so liberally contributed to the erection of a church building for the Church of Christ at Elba, Ala. It is the purpose of the church to erect a building which will be a credit to the town and a convenient place of worship for the church."

"We also appreciate the publicity given the tent meeting by both the Elba Clipper and the Peoples Tribune and the interest both papers have shown in getting the matter before the people."

W. T. GRIDNER.

## Montgomery Officer Is Killed By Negro Man

Montgomery, Ala., Sept. 28.—Albert Sanson, about 27 years old, 720 Clay street, a Montgomery mounted policeman, is dead; R. T. Garrard, a motorcycle officer, is in a hospital for treatment of painful injuries; Mattie Brown, negress is suffering from a slight bullet wound, and Jim Glenn, a negro railroad fireman and desperado, is a much sought fugitive from justice. This sums up the tragic episodes of Thursday night that shocked and stirred Montgomery to the core.

Mattie Brown was wounded by Glenn. Sanson was shot to death by Glenn when he answered a call to the scene of the trouble at the foot of Ripley street, adjoining the city lot and stables. Garrard was injured in an accident between his motorcycle and an automobile driven by a Kilby prison guard while both were aiding in securing funds to place on the trail of the negro murderer.

Less than five minutes after the shot was fired which killed Sanson, every policeman in the city was notified by telephone and ordered to police headquarters for immediate duty. They were sent out on the case in automobiles volunteered by various friends of the dead man, and others who were interested in the arrest of the murderer.

The trouble which culminated in the murder of Sanson and the subsequent accidental injury of Garrard, started between Jim Glenn and Mattie Brown. The negro woman was wounded at or near the trestle where the Pickett Springs car line crosses the Central of Georgia railroad adjacent to the city lots. This happened about 9:30 o'clock.

The negro murderer made his escape, and all efforts to capture him have so far failed.

## SHAKE IS KILLED BY ROCKING CHAIR.

Mrs. W. A. Smart, living on Louisville Street, was sitting on her front porch Sunday night when she felt something under the rockers, and thinking it was a vine, caught it and pulled it out. It felt cold and unpleasant and sent a "creepy" feeling over her. She laid it down and after a few minutes decided to get a light and see what it was. She found a medium sized moccasin which had crawled under her rocker just in time to get his head mashed.—Clayton Record.

## THOMAS E. WATSON DIES SUDDENLY.

Washington, Sept. 27.—United States Senator Thomas E. Watson, of Georgia, died suddenly at his home here shortly after 3 o'clock this morning. Death is said to have been due to an acute attack of asthma, from which he suffered recently. Watson was 66 years of age. Although failing health interrupted his attendance at sessions of the senate frequently in the last several months, friends believed he was showing improvement when stricken suddenly last night. He was 66 years old.

## BIG FIRE AT OPP DESTROYS DONALDSON'S STORE AND STOCK.

Opp, Ala., Sept. 28.—The general merchandise stock of M. E. Donaldson, one of the largest merchants of Opp and this section of Alabama, was damaged Thursday morning to the extent of about thirty-five thousand dollars by fire of undetermined origin. The stock is said to have been valued at fifty thousand dollars. The loss is partially covered by insurance.

The blaze which brought such havoc to the stock started some time before daylight Thursday and continued some time before it was discovered. When the blaze was discovered, it was under control through heroic efforts of fire fighters and citizens, it had burned its way through the greater part of the building leaving a lot of damaged goods. The building was damaged inside, but the main structure was of brick.

## BIG FIRE SWEEPS BUSINESS SECTION OF GEORGINA; BIG LOSS.

Georgina, Ala., Sept. 29.—Georgina's business section, which was ruined by fire early Friday morning, will be rapidly rebuilt, according to the statements of business men who suffered a loss of approximately \$150,000, partially covered by insurance. Officials have been unable to ascertain the origin of the blaze which swept through the business section, destroying the Virginia Hotel, a large cotton ginning plant, two cotton warehouses, sawmill and two potato kilns, in addition to three residences. The fire which had its origin in the Boone cotton warehouse, was discovered some time after one o'clock. A general alarm to all citizens was sent out when it was immediately seen that the blaze was destined to be a destructive one. Despite the heroic efforts of Georgina citizens, aided by citizens of Greenville, Chapman and other nearby places, the blaze swept on for three hours, clearing everything in its path, and when the several hundred persons fighting heroically had finally gotten it under control after a fortune had been wiped out.

## Discounting the "Discount" in Advance

You don't have to be a shrewd bargainer to get the bottom price on the new Goodyear Cross-Rib Tread Cord. Instead of listing it at a high price, to enable the dealer to attract you with a so-called "long discount," we list it as low as we profitably can. You can see from the figures below that its advertised price is lower than the net price you are asked to pay for many "long discount" tires of unknown value.

We believe the average man would rather buy tires on this frank and open basis, and assure himself a product of recognized worth.

The new Goodyear Cross-Rib Tread Cord is made of high-grade long-staple cotton, and it embodies the patented Goodyear method of group-ply construction.

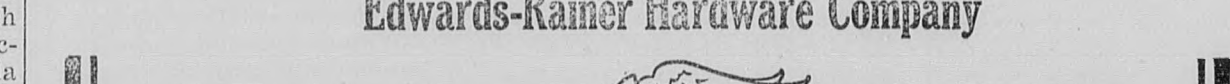

In design, materials and manufacture it is a representative Goodyear product, built to safeguard the world-wide Goodyear reputation. It has a different tread from the famous All-Weather Tread Cord—a new tread with a deep, clean-cut, clog-like pattern—and it sells for substantially less.

Compare these prices with NET prices you are asked to pay for "long discount" tires

## ONE KILLED; TWO INJURED IN AUTO ACCIDENT NEAR DOTHAN.

Dothan, Ala., Sept. 30.—Arlo Harrison, of Newville was killed; Miss Dora Lockard seriously injured, and Geo. Beasley and his daughter, Eva Beasley, were severely injured in an automobile accident some three miles from Dothan late this afternoon. George Beasley, the fifth occupant of the car, was only slightly hurt. All members of the party were residents of Newville.

The injured persons were rushed to a local hospital, where it was reported that Miss Lockard was probably fatally injured, she being badly crushed and probably suffering internal injuries. The older Beasley and his daughter were severely bruised, but it is not believed that their injuries are fatal, while George Beasley, 17, escaped with a slight cut on the head.

Occupants of the car, a Buick Six, stated that the accident, which occurred at about sundown on the Headland road, three miles from Dothan, resulted from a racing contest.

Mr. Beasley was driving, they stated, and he had lost control of the car, which it became unmanageable. When he jammed on the brakes the machine skidded and went crashing down the road for about 100 yards, turning over four times and coming to a standstill finally in the road, according to reports.

All occupants of the car were injured by the machine, none being caught under the car.

Arlo Harrison lived only a few minutes, his body being frightfully crushed by the impact with which it was dashed to the ground. He was 32 years of age, and belonged to a well known family of Newville.

The other members of the party are well known in this section, and news of the tragedy has come as a distinct shock to their many friends. George Beasley, Sr., is 42 years of age, and a section foreman for the Atlantic Coast Line railroad.
